The Science Alliance of Tennessee, a coalition of 6 Science and Children's Museums, aims to foster children's curiosity, wonder and problem-solving skills using STEM curricula and community connections that set students on a positive trajectory of learning where they live and play. This project, the Tennessee Rural Impact Project (TRIP), was made possible in part by the Institute of Museum and Library Services.

Let's Explore

Parts of a Story

Exploring...

Each story has a character,
setting and plot.

Character: The person or animal
the story is about.

Setting: This is where the story
takes place.

Plot: The events that take place
throughout the book. It is what a
story is about.

A story has 3 parts: a beginning, a
middle and an end.
