The Science Alliance of Tennessee, a coalition of 6 Science and Children's Museums, aims to foster children's curiosity, wonder and problem-solving skills using STEM curricula and community connections that set students on a positive trajectory of learning where they live and play. This project, the Tennessee Rural Impact Project (TRIP), was made possible in part by the Institute of Museum and Library Services.

Exploring...

People use their 5 senses
to explore the world.

Smelling is one of your
senses.

You use your nose to
smell.

Living and
nonliving things
have odors that
you can smell.

Go explore your world with a
partner.
