

Expanding...

- Which of the fall things will you do this fall?
- Can you and your partner think of more things that happen in fall?
- What do you like the most about fall?

Student Name:_____

Teacher's Name:_____

Due Date:_____

Partner's Name:_____

The Science Alliance of Tennessee, a coalition of 6 Science and Children's Museums, aims to foster children's curiosity, wonder and problem-solving skills using STEM curricula and community connections that set students on a positive trajectory of learning where they live and play. This project, the Tennessee Rural Impact Project (TRIP), was made possible in part by the Institute of Museum and Library Services.

Let's Explore Sorting Seasons: Fall

Exploring...

A **season** is a time of the year.
Fall is one of four seasons.

The months of fall are
September, October, and
November.

The weather is cooler in fall.
Leaves change color and drop
in fall.

- Cut out the pictures.
- Put what happens in fall in the "fall" box.
- Put what does not happen in fall in the "not fall" box.

What to do

Fall

Not fall
