

Expanding...

- Which of the summer things will you do this summer?
- Can you and your partner think of more things that happen in summer?
- What do you like the most about summer?

Student Name: _____

Teacher's Name: _____

Due Date: _____

Partner's Name: _____

The Science Alliance of Tennessee, a coalition of 6 Science and Children's Museums, aims to foster children's curiosity, wonder and problem-solving skills using STEM curricula and community connections that set students on a positive trajectory of learning where they live and play. This project, the Tennessee Rural Impact Project (TRIP), was made possible in part by the Institute of Museum and Library Services.

Let's Explore

Sorting Seasons: Summer

Exploring...

A **season** is a time of the year.

Summer is one of four seasons.

The months of summer are June, July, and August.

The weather is hot.

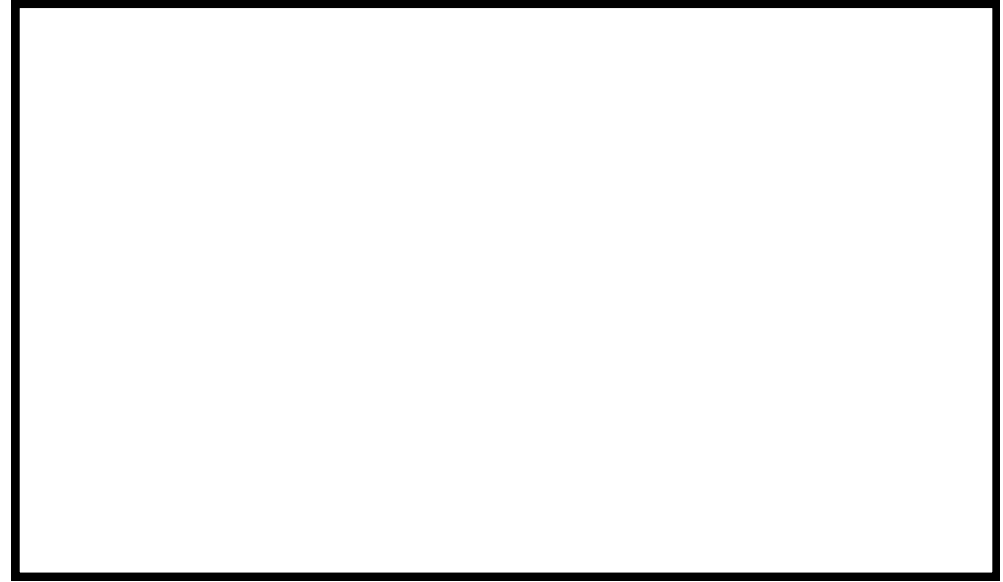

There is no school in summer.
