The Science Alliance of Tennessee, a coalition of 6 Science and Children's Museums, aims to foster children's curiosity, wonder and problem-solving skills using STEM curricula and community connections that set students on a positive trajectory of learning where they live and play. This project, the Tennessee Rural Impact Project (TRIP), was made possible in part by the Institute of Museum and Library Services.

Exploring...

People use their 5 senses
to explore the world.

Hearing is one of your
senses.

You use your ears to
hear sounds.

Animals and things make
sounds to share facts and
feelings.

Go outside with a
